# MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT

## Department of Empowerment of Persons with Disabilities

### Background

In order to give focused attention to policy issues and meaningful thrust to the activities aimed at welfare and empowerment of the Persons with Disabilities (PwDs), a separate Department of Disability Affairs was carved out of the Ministry of Social Justice and Empowerment on May 12, 2012. The Department was renamed as Department of Empowerment of Persons with Disabilities on December 8, 2014. The Department acts as a nodal agency for matters pertaining to disability and persons with disabilities including effecting closer coordination among different stakeholders: related Central Ministries, State/UT Governments, NGOs etc. in matters pertaining to disability.

#### 1. Work allocated to the Department

**1.1 Work Allocation:** The work allocated to the Department according to Government of India (Allocation of Business) Rules 1961 is placed at Annexure - 1. The Department is primarily entrusted with the task of empowerment of Persons with Disabilities.

**1.2 Vision:** To build an inclusive society in which equal opportunities are provided for the growth and development of persons with disabilities so that they can lead productive, safe and dignified lives.

**1.3 Mission:** To empower persons with disabilities through its various Acts/ Institutions/Organizations and Schemes for rehabilitation and to create an enabling environment that provides such persons with equal opportunities, protection of their rights and enables them to participate as independent and productive members of society.

**1.4 Objectives:** To realize its vision and achieve the mission, the Department strives for the following major Objectives:

- I. Physical rehabilitation, which includes early detection and intervention, counseling and medical rehabilitation and assistance in procuring appropriate aids and appliances for reducing the effect of disabilities;
- II. Educational rehabilitation including vocational education;
- III. Economic rehabilitation and social empowerment;
- IV. Developing rehabilitation professionals/personnel;
- V. Improving internal efficiency/responsiveness/service delivery; and
- VI. Advocating empowerment of persons with disabilities through awareness generation among different sections of the society.

#### 1.5 Major Commitments of the Department:

- i. Sustainable Development Goals: India is a party to the United Nations Convention on the Rights of Persons with Disabilities (UNCRPD) and Sustainable Development Goals. The Department has aligned its national law in line with various provisions of the UNCRPD in its

latest law, namely, The Rights of Persons with Disabilities Act, 2016 which came into force on April 19, 2017.

- ii. **Inclusion and Barrier Free Environment:** During the period under review, the Department paid greater focus on creating a barrier free environment for persons with disabilities especially in built environment, transportation system and CT ecosystem. Towards this end, the Department continued its efforts in providing aids and appliances to the persons with disabilities on the one hand, and in making public buildings, transportation and ICT accessible on the other.
- iii. **Social Model:** Early identification of disability is crucial for therapeutic intervention to reduce the disability burden. Early detection of at-risk cases and appropriate rehabilitation at early stage of life reduces the severity of disability and would lessen the burden of family and society. Recognizing this fact, the Department has initiated setting up of Early Intervention Centres at seven National Institutes and seven Composite Regional Centres. These centres will also help in enhancing school readiness of children with disabilities.
- iv. **Rehabilitation of Persons with Disabilities:** In earlier years, the focus of rehabilitation of persons with disabilities was more or less physical disability centric. During the period of the report, the Department reoriented its focus for rehabilitation of all 21 categories of persons with disabilities with special emphasis on rehabilitation of persons with intellectual, developmental and mental disabilities.
- v. **Shift from disability-centric approach:** The Department was concerned with increase in the incidence of psycho-social disabilities (mental illness). Besides active treatment, persons with mental illness, most often have rehabilitation needs to reintegrate back into the social mainstream. To address this concern, the Department decided to set up the National Institute of Mental Health Rehabilitation (NIMHR) at Sehore, Madhya Pradesh. The institute aims to work towards capacity building in the field of mental health rehabilitation besides developing community based rehabilitation protocols for mainstreaming persons with mental illness who have been successfully cured. It is being set up on 25 acres of land allotted by the Government of Madhya Pradesh along Bhopal-Sehore highway in Madhya Pradesh. At present, NIMHR is functional from a temporary accommodation provided by the Govt. of Madhya Pradesh at 'Old Zila Panchayat Bhawan', Sehore.
- vi. **Culture, Recreation, Leisure and Sports Activities:** The Department recognized the need for creating enabling environment for persons with disabilities so as to enable them excel in every walk of life including sports with a view to boost participation of PwDs in sports activities both at National

level and international level. The Government has decided to setup a Centre for Disability Sports at Gwalior, Madhya Pradesh with world class facilities for both indoor and outdoor games and training facilities for about 300 persons with disabilities.

### 1.6 Divya Kala Shakti

Persons with Disabilities can excel in every field-be it education, sports, literature, culture provided appropriate opportunity and environment are created with a view to showcase the inner potential of the persons with disabilities.

### 1.7 Challenges

Bringing an attitudinal change in perception of general public towards Divyangjan remains the biggest challenge of the Department. Awareness generation is therefore key to change the mindset not only of the general public but also of persons with disabilities to increase their self-confidence. There is a greater need for the State Governments and the local bodies to imbibe the culture of accessibility standards at the designing, planning and execution stage for creating barrier free environment for persons with disabilities. Mobilizing matching resources (financial as well as human) to meet the requirements for creating an enabling environment for PwDs also remains a challenge for the States/UTs and the local bodies.

### 1.8 Affirmation

The Department's Annual Report for the year 2022-23 contains progress made in the disability sector through legal frameworks, strengthening institutional infrastructure and programme based support. State Governments, Civil Society Organisations, Divyangjan and other stakeholders have been active partners in this process.

The objectives of the National Trust are as follows:

- i. To enable and empower persons with disabilities to live as independently and as fully as possible within and as close to the community to which they belong;
- ii. To strengthen facilities to provide support to persons with disabilities to live within their own families;
- iii. To extend support to registered organizations to provide need-based services during period of crisis in the family of persons with disabilities;
- iv. To deal with problems of persons with disabilities who do not have family support;
- v. To promote measures for the care and protection of persons with disabilities in the event of death of their parent or guardian;
- vi. To evolve procedures for the appointment of guardians and trustees for persons with disabilities requiring such protection;
- vii. To facilitate the realization of equal opportunities, protection of rights and full participation of persons with disabilities; and
- viii. To do any other act this is incidental to the aforesaid objects.

**3.2.3 The Rights of Persons with Disabilities Act, 2016 (RPwD Act, 2016):** The Government enacted the Rights of Persons with Disabilities Act, 2016 as passed by the Parliament in December, 2016.

**3.2.3.1 The Act has been brought into force from April 19, 2017. The Act identifies various specified disabilities broadly classified into five categories as under:**

# MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT

## Department of Empowerment of Persons with Disabilities

- i. Physical Disability:
  - Locomotors Disability including: Leprosy cured person, Cerebral Palsy, Dwarfism, Muscular Dystrophy, Acid attack victims.
  - Visual Impairment (only Blindness and Low Vision)
  - Hearing Impairment (only Deaf and Hard of Hearing)
  - Speech and Language Disability
- ii. Intellectual Disability including: Specific Learning Disability, Autism Spectrum Disorder
- iii. Mental Behavior (Mental Illness)
- iv. Disability caused due to:
- v. Chronic Neurological Conditions such as Parkinson's disease and Multiple Sclerosis.
- vi. Blood Disorder such as Hemophilia, Thalassemia and Sickle Cell Disease.
- vii. Multiple Disabilities

**3.2.3.2** With a view to ensuring the implementation of the Act, the Government has taken the following measures:

- i. It notified Rights of Persons with Disabilities Rules on June. 15, 2017. These Rules provide for accessibility standards for built environment, passenger bus transport and for websites, besides specifying the procedure for applying and grant of certificate of disability, manner of publication of equal opportunity policy, manner of utilization and management of National Fund, etc;
- ii. It notified the Guidelines for Assessment of Extent of Specified Disability in a person on January 04, 2018. These guidelines provide a detailed procedure of assessment as well as the composition of the medical authority competent to issue certificates of disability for various categories of disabilities;
- iii. The Department of Personnel & Training (DoPT) has issued circular on January 15, 2018 to all the Ministries & Departments specifying 4% reservation for persons with benchmark disabilities in Government jobs in terms of the provision of Section 34 of the RPwD Act, 2016. Further, through a notification dated 17.05.2022, DOPT also extended the benefit of 4% reservation in promotion to persons with benchmark disabilities.
- iv. The States have been advised from time to time to frame rules in terms of Section 101 of the RPwD Act, 2016. As on 31.12.2022, 32 States/UTs have notified the rules under the said Act.

**3.2.3.3** New Initiatives of the Department:

- i. University of Disability Studies and Rehabilitation Sciences:

- i. In the year 2015-16, the then Hon'ble Finance Minister in his budget speech announced upgradation of National Institute of Speech and Hearing (NISH), Thiruvananthapuram, Kerala, into a National University of Rehabilitation and Disability Studies. Accordingly, the Department initially moved a proposal for upgrading the NISH into a University. However, on reconsideration, the location of the proposed University has been changed from Thiruvananthapuram, Kerala to Kamrup District, Assam (60 km from Guwahati) as a green-field project since it was not entirely technically feasible to up-grade NISH, a state-level institution that too engaged in a single area of disability, viz., hearing disability, into a national level University to cater to various disciplines covering the entire gamut of disability studies and rehabilitation sciences. The State Government of Assam has allotted 50 acres of land, free of cost.
- ii. Department has now decided to set up a University of Disability Studies and Rehabilitation Sciences at Kamrup District, Assam through an Act of Parliament. As suggested by the Department of Expenditure, the Department of Empowerment of Person with Disabilities has engaged Education Consultant India Ltd. (EDCIL) to prepare site specific detailed project report for setting up of the university. EDCIL has submitted draft DPR on 15.12.2022 which is under examination.

## Department of Empowerment of Persons with Disabilities

**The National Policy - 2006, UN Convention on the Rights of Persons with Disabilities, 2006 and Incheon Strategy “To make the Right Real” for Persons with Disabilities in Asia and Pacific**

### **4.1 National Policy for Persons with Disabilities, 2006**

Persons with disabilities constitute a valuable human resource for the country and a majority of such persons can lead a better quality of life if they have equal opportunities and effective access to rehabilitation measures. In this regard, the Government formulated and brought out the National Policy for Persons with Disabilities on February 10, 2006 with a view to create an environment that provides such persons equal opportunities for protection of their rights and full participation in society.

**4.1.1** With a focus on prevention of disabilities and rehabilitation measures, the National Policy provides for the following:

- i. Prevention of disabilities
- ii. Rehabilitation measures
  - (a) Physical Rehabilitation Strategies:
    - Early Detection and Intervention
    - Counseling & Medical Rehabilitation
    - Assistive Devices
    - Development of Rehabilitation Professionals
  - (b) Education for Persons with Disabilities
  - (c) Economic Rehabilitation of Persons with Disabilities:
    - Employment in Government Establishments
    - Wage employment in Private Sector
    - Self-employment
- iii. Provisions for Women with Disabilities
- iv. Provisions for Children with Disabilities
- v. Barrier-free Environment
- vi. Issue of Disability Certificates
- vii. Social Security
- viii. Promotion of Non-Governmental Organizations (NGOs)
- ix. Collection of regular information on Persons with Disabilities
- x. Research
- xi. Sports, Recreation and Cultural life
- xii. Amendments to existing Acts dealing with the Persons with Disabilities.

Accordingly, the principal areas of intervention under the Policy are: Prevention, Early-detection and Intervention; Programmes of Rehabilitation; Human Resource Development; Education of Persons with Disabilities; Employment; Barrier free-environment; Social Protection; Research; Sports, Recreation and Cultural Activities.

#### 4.1.2 The following mechanism is in place for the implementation of the National Policy:

- i. Department of Empowerment of Persons with Disabilities, Ministry of Social Justice & Empowerment is the nodal Department to coordinate all matters relating to implementation of the Policy.
- ii. The Central Advisory Board on Disability, with stakeholder representation, coordinates matters relating to implementation of the National Policy. There is a similar Board at the State level.
- iii. The Ministries of Home Affairs; Health & Family Welfare; Rural Development; Urban Development; Youth Affairs & Sports; Railways; Science & Technology; Statistics & Programme Implementation; Labour; Panchayati Raj and Women & Child Development and Departments of Elementary Education & Literacy, Secondary & Higher Education; Road Transport & Highways; Public Enterprises; Revenue; Information Technology and Personnel & Training are also identified for implementation of the policy.
- iv. Panchayati Raj Institutions and Urban Local Bodies are associated in the functioning of the District Disability Rehabilitation Centers. They are required to play a crucial role in the implementation of the National Policy to address local level issues.

**4.1.3** The Chief Commissioner for Persons with Disabilities at Central level and State Commissioners at the State level, play key role in implementation of the National Policy, apart from their respective statutory responsibilities.

**4.1.4** The Department has constituted a committee under the Chairmanship of Secretary, DEPwD to review the above policy and suggest a new policy document taking into account the provisions of the RPwD Act, 2016, United Nations Convention on Rights of Persons with Disabilities (UNCRPD) and global best practices in managing disability. A task force under the main committee has been constituted to suggest a draft new National Policy. The task force has submitted a draft National Policy which was placed in public domain on 09.06.2022 for comments upto 30.09.2022. Indian Sign Language (ISL) version of the draft policy was also uploaded on website of the Department and Braille text of the draft policy was made available as well. Further, State/UTs were requested to convert the draft policy into regional language for wider coverage. The suggestions and comments received from stakeholders are presently under examination for considering suitable modification in the National Policy.

#### **4.2 United Nations Convention on the Rights of Persons with Disabilities (UNCRPD)**

India is one of the few first countries which ratified the UNCRPD. Consequent upon India signing the Convention on March 30, 2007 and its subsequent ratification, it has come into force in the country w.e.f. May 3, 2008. The Convention places the following three important obligations on each State Party:

- (i) Implementation of the provisions of the Convention,
- (ii) Harmonization of the country laws with the Convention, and
- (iii) Preparation of a Country Report.

### 5.2.3 National Review Meeting:

For the purpose of coordination of the work of Commissioners and reviewing the status of implementation of Rights of Persons with Disabilities (RPwD) Act, 2016, O/o CCPD organizes National Review Meeting of the State Commissioner annually. State Commissioners provide an overview of their work and the initiatives taken by them and achievements of various departments of the State Government in the disability sector during the year. Due to Covid-19, National Review Meeting (NRM) could not be conducted in the year 2020-2021 & 2021-2022. However, it is being planned to convene the meeting before the end of FY 22-23.

### 5.2.4 Monitoring of Funds:

One of the important functions of the CCPD under section 75(i) of the RPwD Act is to monitor utilization of funds disbursed by the Central Government for the benefit of PwDs.

### 5.2.5 Access Audits of Public Buildings/ Places:

The Office of CCPD takes initiative to audit Public Places such as Government office buildings, Hospitals, Stadiums, Market Places, Railway Stations, Airports, Bus Stops, Religious places etc. for their accessibility and ensure that required modifications are carried out within the given time frame.

### 5.2.6 Redressal of Grievances:

a) Under Section 75 of the Rights of Persons with Disabilities (RPwD) Act, 2016, the Chief Commissioner for Persons with Disabilities (CCPD) is mandated to take steps to safeguard the rights and facilities made available to Persons with Disabilities and to redress their grievances related to the deprivation of their rights and non-implementation of laws, rules, bye-laws etc. made by the appropriate Government. CCPD office is a focal point for seeking justice by Persons with Disabilities. A large number of Persons with Disabilities approach this office whenever they are deprived of their rights by any appropriate government body or local authorities.

b) Since its inception in Sept, 1998, total 39773 cases have been registered in the office of CCPD and 39558 cases had been disposed off by the end of the December 2022. During the FY 22-23, 436 cases were registered from 1st April 2022 to 31st December 2022 and 479 cases have been disposed off including backlog of the previous year. Therecommendation of the Chief Commissioner/ Commissioner in above mentioned cases have been uploaded on the website of Office of Chief Commissioner for Persons with Disabilities.

### **5.2.8 Harmonized Guidelines for Standards of Accessibility and Provision of facilities for PwDs under Section 40 of RPwD Act, 2016:**

As per section 40 of the RPwD Act, 2016 the Central Government shall, in consultation with Chief Commissioner, formulate rules for persons with disabilities laying down the standards of accessibility. Section 16 of RPwD Rules stated that Central Government shall review from time to time the accessibility standards notified based on the latest scientific knowledge and technology. As such, 18 Ministries/Departments of Central Government have formulated rules/guidelines in consultation with the office of Chief Commissioner for Persons with Disabilities.

### **5.3 The National Trust for the welfare of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities:**

#### **5.3.1 Introduction:**

The National Trust is a statutory body constituted by an Act of Parliament namely “The National Trust for the welfare of Personswith Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities Act, 1999”.

The objectives of the National Trust are as follows: -

- i. To enable and empower persons with disability to live as independently and as fully as possible within and as close to the community to which they belong;
- ii. To strengthen facilities to provide support to persons with disability to live within their own families;
- iii. To extend support to registered organizations to provide need-based services during period of crisis in the family of persons with disability;
- iv. To deal with problems of persons with disability who do not have family support;
- v. To promote measures for the care and protection of persons with disability in the event of death of their parent or guardian;
- vi. To evolve procedures for the appointment of guardians and trustees for persons with disability requiring such protection;
- vii. To facilitate the realization of equal opportunities, protection of rights and full participation of persons with disability; and
- viii. To do any other act this is incidental to the aforesaid objects.

The National Trust has been set up to discharge two basic duties- legal and welfare. Legal duties are discharged through Local Level Committees (LLC) and providing Legal Guardianship. Welfare duty is discharged through the Schemes. The activities of the National Trust inter-alia include training, awareness and

capacity building programmes and shelter, care giving and empowerment. The National Trust is committed to facilitate equal opportunities, protection of rights and full participation of persons with disabilities (Divyangjan), covered under the Act.

### 5.3.2 Registration of Organizations

As per section 12(1) of the National Trust Act, any voluntary organization, the association of parents of persons with disabilities or the association of persons with disabilities, working in the field of Autism, Cerebral Palsy, Mental Retardation And Multiple Disabilities”, already registered under the Societies Registration Act, 1860(21 of 1860), or section 25 of the Companies Act, 1956(1 of 1956), or Public Charitable Trust Act and under Persons With Disability Act, 1995 or Rights of Persons with Disabilities Act, 2016 in the concerned state and on NGO Darpan Portal of NITI Aayog, can apply for registration in the National Trust. Proposal for Registration can be submitted by filling up online form along with Form 'E' (to be generated through the online system while filling up the online registration form), duly stamped and signed by the Head of the organization. The registration of such organization with the Trust shall be necessary for availing benefits under the schemes of the Trust. The validity of the registration of NGOs is 5 years. For renewal of registration, NGOs need to apply 6 months before the expiry of registration. **The total number of Registered Organizations of the National Trust is 541. The number of NGOs registered from 01.04.2022 to 15.12.2022 is 128. The list of ROs can be seen State-wise and District-wise, on the website of the National Trust ([www.thenationaltrust.gov.in](http://www.thenationaltrust.gov.in)).**

### 5.3.3 The following are the salient activities of the National Trust:

#### (i) Appointment of Legal Guardians:

- (a) Section 14-17 of The National Trust Act, 1999 elaborates on Guardianship for persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities, to be given by the Local Level Committee. Guardianship is a need based enabling provision.
- (b) A guardian is a person, who is appointed to look after another person or his property, or both. He or she assumes the care and protection of the person for whom he/she is appointed the guardian. The guardian takes all legal decisions on behalf of the person and the property of the ward.
- (c) Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities are in a special situation as even after they have acquired 18 years of age, they may not always be capable of managing their own lives or taking legal decisions for their own betterment. Therefore, they may require someone to represent their interests in the legal areas throughout their lives. However, in cases of cerebral palsy and multiple disabilities, there may be a need for only limited guardianship because of the availability of enabling mechanisms and/ or scientific facilitations, which enable such persons to function with varying degrees of independence.

**8.2 Assistance to Disabled Persons for Purchase/Fitting of Aids/  
Appliances (ADIP) Scheme**

The main objective of the Scheme is to provide grants-in-aid to the various implementing agencies (National Institutes/Composite Regional Centers/Artificial Limbs Manufacturing Corporation of India (ALIMCO)/District Disability Rehabilitation Centers/State Handicapped Development Corporations/other Local Bodies/NGOs) so that they are in a position to assist needy persons with disabilities in procuring durable, sophisticated and scientifically manufactured, modern, standard aids and appliances to promote their physical, social and psychological rehabilitation by reducing the effects of disabilities and at the same time enhancing their economic potential. Assistive devices are given to persons with disabilities with the aim of improving their independent functioning, and arresting the extent of disability and occurrence of secondary disability. The aids and appliances supplied under the Scheme must have due certification. The Scheme also envisages conduct of corrective surgeries, whenever required, before providing an assistive device. The Scheme has been revised/modified with effect from 01.04.2022.

**8.2.1. Eligibility Criteria:**

- (i) Citizens of India having 40% or above disability (as certified by competent medical authority of the State Government/UTs).
- (ii) Monthly income from all sources should not exceed Rs.22,500/ per month for 100% concession and Rs.22,501/- to Rs. 30,000/- per month for 50% concession.
- (iii) New assistive device supplied only after 3 years for the same purpose. However, for children below 12 years of age the same can be supplied after 1 year.
- (iv) Income certificate of beneficiaries staying in orphanages and half-way homes may be accepted on certification by District Collector or Head of the Organization concerned.

**8.2.2. Cost Ceiling for Aids & Assistive Devices:**

- (i) Aids and Appliances costing not more than Rs.15,000/-.
- (ii) In case of multiple disabilities, limit will apply to individual items separately in case, more than one aid/appliance is required.
- (iii) Expensive items costing above Rs.30,001/- except Cochlear Implant and Motorized Tricycle, eligible for assistance under the Scheme, subject to income ceiling, would be listed out. Government of India shall bear 50% of cost of these items thus listed by the Committee and the remainder shall be contributed by either the State Govt. or the NGO or any other agency or by the beneficiary concerned subject to prior approval of Ministry.

**8.2.3. Type of Activities:** The funds under the ADIP Scheme are earmarked and utilized for the following activities:

**(i) ADIP-SSA Camps:**

Aids and assistive devices are distributed to children below 18 years of age and those attending Schools under the Samagra Shiksha Abhiyan Scheme of the Ministry of Human Resource Development (MHRD). As per the agreement with the Ministry of HRD, ALIMCO, the implementing agency, is reimbursed 40% of the expenditure by MHRD and remaining 60% of the expenditure by the Department through grants under ADIP Scheme.

**(ii) For Camp activities**

Under the Scheme, district-wise disability camps are organized. The State Governments/UTs Administration, while recommending the proposals of Implementing Agencies for organizing camps, needs to focus on coverage of inaccessible and un-served areas. Camps are also organized from time to time as per emerging requirements. While COVID-19 is impacting the entire population, persons with disabilities, are more vulnerable to the disease due to their physical, sensory and cognitive limitations. With this in view, the Department has formulated a new Standard Operating Procedure (SOP) for identification of beneficiaries and distribution of aids and assistive devices. Measures to ensure protection and safety such as temperature checks, social distancing, sanitization etc have been followed strictly. Special emphasis has been given to use of masks, gloves and PPE kits etc.

Distribution camp conducted on 14.02.2022 at Tikamgarh, Madhya Pradesh in the presence of Hon'ble Union Minister of Social Justice and Empowerment.

**MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT**  
**Department of Empowerment of Persons with Disabilities**

**(iii) For Headquarter Activities:**

(a) The National Institutes/CRCs/ALIMCO utilizes ADIP grants to extend services to eligible beneficiaries who approach the Institutes or their respective Regional Centres.

(b) Some well-established NGOs have Centers/Sub-centers that carry out OPD activities and undertake corrective surgical operations for persons with disabilities. Many persons with disabilities approach their centers/sub-centers for Aids and assistive devices. Therefore, ADIP Grants are released for their respective Head Quarter activities.

(c) All protocols to prevent the spread of COVID-19 have been followed strictly.

**(iv) Cochlear Implant Surgeries:**

a) There is provision of Cochlear Implant and post operative therapy and rehabilitation for children with Hearing Impairment with a ceiling of Rs. 7.00 lakh per unit (to be borne by the Government) in case of children with pre-lingual hearing loss between 1 to 5 years of age and Rs.6.00 Lakh in case of children with acquired hearing loss between 5 to 18 years. The financial support will cover the cost of implant, surgery, therapy, mapping, travel and pre-implant assessment in both cases. Through this programme, children having hearing and speech impairment are successfully able to regain hearing and speech functions.

b) Ali Yavar Jung National Institute of Speech & Hearing Disabilities (Divyangjan), (AYJNISHD) Mumbai, is the nodal agency for Cochlear Implant Surgery. Surgery will be done at the hospitals empaneled by this Department. Cochlear Implant device will be procured by Artificial Limbs Manufacturing Corporation of India (ALIMCO), as per the specification recommended by the core committee. The Institute invites application by issuing advertisements in news papers (all India editions) and also through their website:[www.adipcochlearimplant.in](http://www.adipcochlearimplant.in). Applicants have to apply based on advertisement/ details on website to AYJNISHD, Mumbai.

**(v) Distribution of Motorized Tricycle and Wheelchair:**

Under the ADIP Scheme, there is provision for Motorized tricycles and Motorized wheelchairs for persons with severe locomotor disability, Stroke, Cerebral Palsy, Hemipeligia and any other person with similar conditions, where either three/ four limbs or one half of the body are severely impaired. Persons with Disabilities having 80% and above disability would be eligible for assistance for Motorized tricycle and Motorized wheelchair. Extent of subsidy would be Rs.50,000/-. This will be provided to persons aged 16 years and above, once in five years. Persons with severe disability of 16 years and above age having mental impairment shall not be eligible for Motorized tricycles and wheel chairs since it puts them at a risk of serious accident/physical harm.

Hon'ble Union Minister for Road Transport and Highways, Shri Nitin Gadkari and Hon'ble Union Minister of Social Justice & Empowerment, Dr. Virendra Kumar distributed Motorized Tricycle to Divyang beneficiary under ADIP Scheme in a distribution camp organised in Nagpur, Maharashtra on 25.08.2022.

### 8.4 SCHOLARSHIP SCHEMES

#### Scholarships for Students with Disabilities

##### 8.4.1 Overview:

- i. Section 31 (1) & (2) of the Rights of Persons with Disabilities Act, 2016 mandates that every child with benchmark disability between the age of six to eighteen years shall have the right to free education in a neighborhood school, or in a special school, of his choice and the appropriate Government and local authorities shall ensure their access to free education in an appropriate environment till he attains the age of eighteen years.
- ii. To fulfil this mandate, the Department of Empowerment of Persons with Disabilities is implementing Umbrella Scheme ‘Scholarships for Students with Disabilities’ comprising six components, viz., Pre-matric Scholarship, Post-matric Scholarship, Top Class Education, National Overseas Scholarship, National Fellowship for PwDs and Free Coaching.
- iii. The main objective of the umbrella scholarship scheme is to empower students with disabilities to study further in order to earn their livelihood and to find a dignified place in the society, as they face several barriers - physical, financial, and psychological in pursuing studies and living with dignity.
- iv. Until 2017-18; these six Scholarship Schemes were implemented as stand-alone schemes having separate budgets. National Fellowship for Students with Disabilities is under implementation since 1st April,

2012. Pre-matric, Post-matric and National Overseas Scholarship Schemes for Students with Disabilities were launched on 1st April, 2014. Top Class Scholarship Scheme began on 1st April 2015 and Free Coaching Scholarship Scheme for Students with Disabilities was started on 1st April, 2017.

- v. From April 1, 2018, all the six scholarship schemes, i.e., Pre-matric, Post-matric, Top Class Education, National Fellowship, National Overseas Scholarship and Free Coaching have been merged into an Umbrella Scheme titled 'Scholarships for Students with Disabilities'. The merger/unification of the schemes with effect from 2018-19 has been done to remove the demand-supply imbalance of budget allocation and streamline the implementation process. In the Umbrella Scheme, if there is surplus fund available in one segment, that surplus fund can be utilized in the other segment.
- vi. 50% of the total scholarship slots available each year in Pre-matric, Post-matric and Top Class Education and 30% slots in National Overseas Scholarship are reserved for girl candidates. However, in case adequate number of girl candidates are not available or not found eligible as per the terms and conditions of the scheme, the unutilized slots are being utilized by selecting eligible male candidates.

## SUCCESS STORIES

The National Trust for the Welfare of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities, New Delhi

## a) Mr. Bhanu Sahu:-

Mr. Bhanu Sahu is a beneficiary of Samarth-cum Gharaunda (Residential Scheme) of the National Trust being implemented in Aadhar Foundation, Chhidwara, Madhya Pradesh. Bhanu was born in a poor family. To make matters worse, Bhanu's father abandoned him and his mother Shrimati Manju Sahu. She started working as domestic help for two square meals. Officials of Aadhar Foundation met Bhanu's mother in one of Aadhar Foundation's regular survey in September, 2018. She was informed about the possible improvements at Aadhar Foundation of children with similar and more severe intellectual challenges. With some persuasion, Bhanu joined the Samarth-cum Gharaunda Centre in October 2018. When he joined the Centre, he could only maintain his personal hygiene. He had difficulties in socializing, inability to understand time and its passage, he was not able to do basic maths. He couldn't concentrate at all.

The Trained Counselors, Special Educators and Vocational Trainer at Samarth-cum Gharaunda Centre of Aadhar Foundation besides working on his social and mathematical skills, started working on the business and daily applications of his newly gained knowledge and skills.

With the help of Aadhar Foundation, Bhanu was able to find employment at Tiwary Medicals in Chhindwara (opposite Police Station) in May, 2019 at a starting salary of Rs. 3000 per month. His job was to move boxes of medicines, medical equipments from the godown to the store, look after the godown and cleanliness of the store and godown. Bhanu now earns Rs. 5,500 per month.

Bhanu and his mother are extremely happy now and never cease to express their gratitude towards Aadhar foundation and National Trust for their happiness.

**b) Mr. Babuli Barik**

Mr. Babuli Barik is a beneficiary of Gharaunda Scheme (Group Home for Adults) of the National Trust being implemented by Rampurhat Spastics & Handicapped Society, Birbhum, West Bengal. He is a 36 yrs old person with Intellectual Disability. The name of his father is Late Surendra Barik and mother is Gouri Barik. The total members of his family are 7. They are 3 brothers and sisters and Babuli is younger among them. Babuli belongs to a BPL family. Babuli came to our Gharaunda Centre in the year 2018.

When Babuli came to the centre his condition was not so good. He can't follow the instructions given to him. He was unnecessarily talking. He got angry most of the time in other words he was short tempered. He was unaware about what should be done and what should not be done. He can't sit in one place for some time. Move here and there unnecessarily in his village. Villagers engaged him unnecessarily in many works without payment. He can't listen to anybody in his family. He can't maintain cleanliness at that time.

After he came to the Gharaunda Centre variety of interventions like special education with behavior management, pre-vocational training, vocational training etc. were given to Babuli from time to time. After interventions, Babuli can do everything perfectly like he maintains cleanliness, taking care of himself, he can understand and follows the given instructions. Now he is able to make phenyl, incense sticks etc. He can able to wash his clothes. Now he can sit in one place for a long time and finish the work given to him. Presently Babuli can do everything independently.

**c) Master Krishana Rathore:-**

Master Krishana Rathore is a beneficiary of Niramaya Scheme (Health Insurance Scheme) of the National Trust. He is a 16 years old with Intellectual disability. He is enrolled under NIRAMAYA at SNEH Nagda, a Registered Organisation of the National Trust in Madhya Pradesh. He was complaining about the vision issue continuously. The RO contacted his parents who showed their inability of treatment of his eyes due to financial condition. The RO approached the Aanadam Netralaya Nagda where they came to know that his both eyes were having cataract and if surgery is not done in time it may result to eye sight loss. The doctor told that it will cost Rs 40000/- for cataract surgery of his both eyes which include the cost

of lenses also. the RO requested the hospital management to consider the case for discount. Management was kind enough to provide 50% concession and ready to do the surgery. As Krishna covered under Niramaya scheme, the RO paid his surgery charges initially and after reimbursement, the parents deposited money back to the RO. Now Krishna is very happy and his vision is clear.

## Department of Empowerment of Persons with Disabilities

\*\*\*Success story/(Department of Occupational Therapy)

The story is all about responsible young police inspector Truptimaya Nayak, who had a stroke in the year 2020 leading to Right side hemiplegia. After managing the risk factors the patient was referred to the therapeutic program for his physical disability. After one month of therapy, the patient started walking. The family member now became happy with his improvement in walking. For three months his wife and family members managed his daily activities. Then the actual

struggle of his wife began as she had to manage her family, children as well as husband. After 5th month of such an incident, they reported to the Department of Occupational Therapy, SVNIRTAR with the issues relating to being unable to use his affected right hand to perform any daily activities and have developed an attitude of confusion and loss of consciousness. The Occupational therapist evaluated holistically and when asked the family member about the vocation, his wife said that they are planning for VRS. As it was quite difficult to continue his therapy and job simultaneously.

The occupational therapy started with remedial therapy to make him a community worker (for eg: to cross the traffic in a stipulated time), cognition training for memory (Short term Memory & Long-term Memory), attention to improving sustained, divided attention, and alternate attention. After three months of therapy patient recovered from memory and attention as well as improved hand function and was able to hold glass objects. To make him independent in eating and writing modification of the spoon and other Activities of Daily Living one-handed technique was trained.

There is a saying nothing can be impossible before the appropriate guidance and cooperation and strong determination.

Now Truptimaya faced a lot of difficulties in his community participation. The activities such as marketing, driving two-wheeler vehicles, organizing family functions, and voluntary activities. He was trained and given exposure to all those activities which make him independent. Finally, to improve productivity he was advised to join his job and manage the police station with responsibility.

Now he became an example of success and is continuing his job as a responsible police inspector and selected for DSP.

**\*\*\*Success story/(Department of Prosthetic and Orthotic)****Success Story 1-**

Mrs. Salma Bibi, a 72-year-old, right-hand dominant, old geriatric female subject from Bhadrak district, Odisha has sustained an injury to her left arm due to a fall in 2010. She was diagnosed with a non-union distal humeral fracture of left side. Management was done by the plaster cast method but the fracture did not heal and remained as a non-union. She suffered another fracture around the previous non-union site in 2021. The radiogram findings revealed a protruding distal femur away from its normal position causing gross mal-alignment. She reported to Swami Vivekanand National Institute of Rehabilitation Training and Research (SVNIRTAR) for the management and rehabilitation in July 2021. She had complaint of pain at the elbow and forearm, swelling of the forearm and hand, mal-aligned left upper limb and inability to perform daily activities. Surgery was not considered for the patient as she is overage. On observation, it was noticed that the elbow joint was mal-aligned; hand was in hanging position with considerable swelling of entire left upper limb. The arm was flailed having barely any range of motion. Roentgenograms of the arm and physical examination have revealed fracture mal-alignment which includes 20 degrees of anterior bowing, 30 degrees of varus angulation, 25 degrees of mal-rotation, and 3 cm of shortening. To achieve the elbow joint congruency, an elbow orthosis with variable ROM elbow was planned. For the hand support, the orthosis was extended up to the metacarpal joint with an additional attachment.

## MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT Department of Empowerment of Persons with Disabilities

After 16 weeks of use of orthosis, the radiographic data of the patient was observed carefully and was found that the elbow joint had been alignment and congruency was achieved. The range of motion of joints both proximal and distal to the elbow was increased significantly.

**Success Story -2**

Mr. Debendra Surya Sahukar, a 47 years old male belonging to middle lower class agricultural family from rural part of Rayagada district, Odisha had reported to SVNIRTAR on 24.02.2022. He was diagnosed with squamous cell carcinoma which has led to transtibial (below the knee) amputation on his left leg. He has lost the hope of walking again.

He has reported to Department of Prosthetics and Orthotics with a pair of axillary crutches and had an expectation to walk independently without depending on the

crutches. After complete evaluation and assessment, he has been prescribed and fitted with left Endoskeletal Transtibial Prosthesis. He was given appropriate gait training to use the prosthesis for his ambulation on different terrains which will match his nativity i.e., even & uneven surfaces, stairs and slopes. At the end of his gait training duration, he was comfortable and walking independently without crutches. He was confident to continue his day-to-day activities and to supervise the agricultural work back at his native place. He was discharged on 18.04.2022.

LADDER OF SUCCESS

Jharkhand Cadre IAS Officer Rajesh Kumar Singh, son of Administrative officer of Patna Civil Court, Ravindra Kumar Singh, lost his vision at the age of six while playing cricket. He fell into a well while catching a cricket ball, due to which he lost his eyesight. In spite of this, his love and passion for the cricket remains the same. He represented the Indian blind cricket team in the year 1998, 2002 and 2006 world Cup Championship. Even in the world Cup, he showed the Same agility to catch cricket balls as he had in childhood. He has also represented the Indian Blind Cricket Team three times in the World Cup Cricket Championship.

He received Primary education from Patna, he moved to Institute's Model School for the Visually Handicapped, Dehradun. After passing class 12th in the year 2001, he took admission in Delhi University and completed his master's degree (history). What he is today is due to the support of his family, teachers and friends.

He does not have eyesight but has a deep rooted vision to serve as an IAS officer in spite of the Hurdles in his path. Whenever he feels disappointed, he used to listen the poem of Former Prime Minister "Atal Bihari Vajpayee" or used to hum, "I will not give up, I will not cry, I will not give up.....this poem of Atalji kept motivating him to move towards his goals. After getting rejected from Union Public Service Commission (UPSC) examination in 2007, he did not give up and filed a case in the Supreme Court for his eligibility to become an IAS officer. Eventually the Supreme Court found him eligible for the post of an IAS. Justice Altamas Kabir had remarked, "Attitude is important, not vision for an IAS officer" in 2010, he was selected for IAS. First, he was posted in Assam Cadre and then Jharkhand Cadre. For the first time, Rajesh

Since childhood, he was not able to see with his own eyes, but it is said that even luck has to bow its head in front of talent and true passion. Sovendra Bhandari is a very talented child since childhood; he passed his schooling from the Model School for the Visually Handicapped, Dehradun. While living at NIVH Dehradun, he studied sports like cricket and football and represented the team India in Blind Cricket and Blind football.

He did not go to stop here only, after completing his schooling from NIVH, he joined the country's most prestigious educational institution Delhi University (DU). While studying in DU, he continued to play football along with cricket. After which his talent was recognized by the officials of the Indian Blind Football Federation and was selected for the Indian Blind football team to participate in the England tour. He has proved himself in sports both at National and International levels. He is also good in music and studies as well. He also represented the country in the Indo-Nepal cricket held at the international level in 2019.

#### \* Others Achievements:

- Represented India in Blind Football at Tri-Nation Blind Football Series among India, Malasia and Laos at Kochi
- Selected for Indian Blind Football team and also participated in IBSA Asian Blind Football Championship, 2019 held at Pattaya, Thailand from 30th September to 7th October, 2019.
- Represented India in Blind Cricket in Indo- Nepal Series against Nepal in 2019.
- Received Player of the Tournament Award in Blind Football National Tournament in the year 2017 and 2018

**SUCCESS STORIES 3 :**

Christy Sophia entered the deaf blind unit of the Model school in the year 2014 at the age of 10. She was reported with communication problems, difficulties with reading and writing, behavioural issues and not attending school. She was diagnosed with auditory and visual impairment. She was placed in a class room where a teacher with similar diagnosis was ready to nurture her.

The student-teacher interactions were totally non-verbal and they became communication partners in a short span of time.

Christy Sophia started to understand the routine signs which strengthened communication and language. What began as a small step by way of learning to read, write and perform mathematical calculations, has now grown leaps and bounds, leading to successful completion of class 10 in state board syllabus. During the training, we observed that she supports her teacher through her tendency to help her peers in activities. Based on this observation her parents' advise, she has decided to pursue a Certification Course in Care giving which will help her take up the role of a trainer/ facilitator in special education centres.
